

TUBLISS RIM LOCK

NEW!

Tubliss Rim Lock

- Tubliss® is a full circumference pneumatic rim lock which secures the entire tire bead to the rim, completely eliminating the use of a conventional tube
- Tubliss® completely replaces the conventional tube while delivering several key performance features - that's scoring points and lap times with racers and riders everywhere
- BENEFITS: * Virtually flat * Runs Cooler * Quicker acceleration
* Reduces unsprung weight
* No pinched tube * Secures tire bead
