NEW!

K-DRIVE SADDLEBAGS

New K-Drive Click and Lock Lockable bags don't have the traditional straps. They are closed by a lock that is hidden under the flap. The lock itself can be closed by means of a small key.

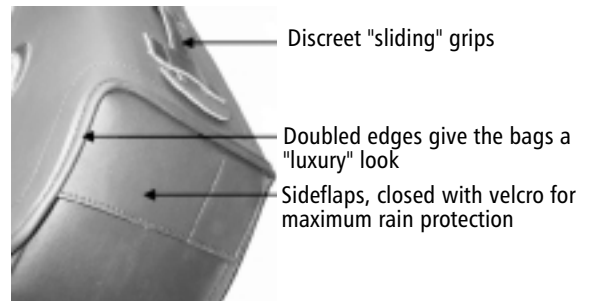

These bags have a single button fastener that will hold the saddlebag lid down while riding at speed.

The bags are completely reinforced with PVC to keep their shape.

They also have a rigid backside on which the Click & Lock System is mounted, specifically for each type of motorcycle

Lockable Click and Lock Bag

Discreet "sliding" grips

Doubled edges give the bags a "luxury" look

Sideflaps, closed with velcro for maximum rain protection

Click & Lock Bracket

K-Drive Click & Lock saddlebags are fixed to the saddlebagguards by means of a lockable clicksystem. The Click and Lock system has many advantages:

- * Bags are easily mounted and removed in just a few seconds
- * Bags themselves are locked to the motorcycle with a key.
- * Bags don't touch the bike and therefore don't damage it.
- * They can also be attached to motorcycles without a duo saddle.
- * As the bags are made specifically (or adapted) for a model, every bag we manufacture fits perfectly

Traditional Click & Lock

Click System Locks from inside of bag

Bag with Lock Bracket inside

Each Saddlebag set is supplied with:

- 1 set of Click & Lock saddlebag supports
- 1 set of Saddlebags with our click system mounted on the rigid backside of the bags
- All necessary bolts:
- 2 keys to lock the bags to the supports
- 2 keys to lock the bags

The Click & Lock bags are reinforced with PVC on the inside. They have a rigid backside on which the click system is mounted. The lock is located on the inside of the bags.

RIDGID MOUNT SADDLE BAGS

Designed for a perfect custom fit with a molded ABS plastic back and bottom support that mounts directly to the frame or struts. Specific fit applications hug the frame; every bag is specially built to fit each bike model perfectly. Designed for heavier loads and maximum durability. Inner stiffeners and rigid back maintain bag shape even when empty. Carefree design is waterproof and cleans easily with a damp cloth. All hardware is included and bags have integral built-in turn signals as required.

MOTORCYCLE COVERS

Why choose a DOWCO Guardian cover? Because it's dependability, craftsmanship and overall quality are working for you around the clock, all year long, year in and year out. That's why more people choose a DOWCO cover than any other cover for 15 years. They're made of the finest quality materials available.. They're made to fit snugly, and they work tirelessly.

Guardian® Scooter Cover

Tough, lightweight, urethane coated polyester with Guardian exclusive ClimaShield® fabric protection. The DOWCO Scooter covers also feature aluminized panels for covering hot pipes, grommets for added security and a shock cord hem. Includes a lifetime limited warranty.

Size	Small	Med	Large	X-Large

	624-8001	624-8002	624-8003	624-8004

Lockable Grommets
Grommets that are sewn into the cover in order to facilitate the use of a cable lock. The covers also have a shock cord sewn in hem.

Why choose a DOWCO Guardian cover? Because it's dependability, craftsmanship and overall quality are working for you around the clock, all year long, year in and year out. That's why more people choose a DOWCO cover than any other cover for 15 years. They're made of the finest quality materials available.. They're made to fit snugly, and they work tirelessly.

Guardian® Value Series

- Constructed of lightweight polyester material that is water repellant and quick drying.
- Includes a convenient storage bag
- Lockable grommets
- Includes a two-year limited warranty, except PVC Cover

Lockable Grommets
Grommets that are sewn into the cover in order to facilitate the use of a cable lock. The covers also have a shock cord sewn in hem.

Convenient storage bag
Designed to fit the covers and take on trips with sport bikes or largest touring bikes.

Guardian® UltraLite™ Cover (old name was Legend)

Constructed of lightweight polyester material that is water repellant and quick drying. Folds compactly for longer trips.

Traveler™ Cover (old name was Legend Traveler)

You want to protect your bike while on the road, but you just don't have the room to take a full size cover with you. The lightweight Guardian® Traveler™ cover protects the essential parts of the motorcycle and folds compactly for storage. Made of light-weight, but durable, urethane coated polyester, the covers are water repellant and quick drying. These covers will enclose the fairings, seat and rear trunk. Includes a shock cord hem and foot peg straps.

StoreAway™ Cover (old name was Legend Storage)

Protect your vehicle from dust and dirt when being stored indoors with our inexpensive cover. This universal cover is made to fit all size bikes. It is made from a soft, breathable material so it won't scratch the finish of the motorcycle and lets the potentially harmful moisture escape from the cover.

PVC Motorcycle Cover

A basic motorcycle cover constructed of heavy-duty PVC plastic to protect the motorcycle from the elements. 100% PVC construction means a cover that is 100% waterproof. Cover includes grommets in the hem to allow for the use of a motorcycle locking device and is vented to allow unwanted moisture to escape. Includes a one-year limited warranty.

NOTE: WAIT FOR BIKE TO COOL BEFORE APPLYING the PVC COVER!

Guardian® Deluxe™ Series

- Tough medium weight polyester that is water repellent.
- Grey with silver side panels,
- Rigid plastic Moisture-Guard vent
- Grommets for added security with, shock cord hem
- Aluminized panels to guard against hot engine pipes
- Lifetime warranty.

Dowco's exclusive ClimaShield protection for water repellency

Weatherall™ Cover (old name was Protector)

Constructed of tough, medium-weight polyester with DOWCO's exclusive ClimaShield® fabric protection and Moisture Guard™ Vent System, Guardian® Deluxe covers are ideal for any climate. Scorch resistant aluminized panels protect the hot parts of the motorcycle and special soft fabric liner prevents scratching of the windshield. Cover seams are sealed with tape to make the cover waterproof. The Guardian® Deluxe Weatherall™ covers include an elastic shock cord that is sewn into the bottom hem to insure a snug fit; lockable grommets, which enable the use of a cable lock (cable lock not included); an under-bike web strap with a d-ring attachment which helps to keep the cover secure; and a convenient storage bag. Available in sizes to fit most motorcycles and sport bikes, all Guardian® Weatherall™ motorcycle covers come with a limited lifetime warranty.

- Colour combination: Grey & Light Grey

Weatherall™ Sport Cover (old name was Protector Sport)

Same features as the Protector with a larger concealed heat shield.

- Colour: Light Grey

Duster™ Cover (old name was Protector Storage)

Store your prized motorcycle inside and only need something to keep dirt and dust off? Now there is a cover that is ideal for indoor storage, designed to keep the bike clean at an affordable price. Constructed of a soft cotton material that won't scratch or harm the finish of the motorcycle. Natural cotton materials are "breathable" to let potentially harmful moisture escape. Includes locking grommets. (Does not include aluminized heat shield panels). Includes a convenient storage bag. Available in sizes to fit most motorcycles, all Guardian® Duster™ motorcycle covers come with a limited lifetime warranty.

- Colour: Blue

Guardian® Elite™ Series

- Premium, heavy duty. Ideal for any climate even cold climates.
- Black with silver side panels, rugged, heavy duty polyester with ClimaShield Plus
- Scorch resistant aluminized panels.
- Lifetime warranty.

Convenient storage bag
Designed to fit the covers and take on trips with sport bikes or largest touring bikes.

Waterproof, Taped Seams
Cover seams are full overlapping (four fabric layers), double stitched and then taped to provide a waterproof closure.

ClimaShield Plus
Dowco's exclusive protection for water repellence and out special Color-Lok protection provides superior fade resistance.

Moisture-Guard
A hard plastic vent system to control the accumulation of unwanted moisture under the cover.

Lockable
Grommets that are sewn into the cover in order to facilitate the use of a cable lock. The covers also have a shock cord sewn in hem.

WeatherAll™ Plus Cover (old name was Guardian)

Guardian® Elite™ motorcycle covers set the standard against which others are compared. Quality and features abound. Constructed of heavy-duty polyester, with feature that are ideal for any climate. Scorch resistant aluminized panels protect the hot parts of the motorcycle and special soft fabric liner prevents scratching of the windshield.

- Colour combination: Black & Light Grey

Cover & Alarm

Secure™ Cover (old name was Guardian Secure)

Your motorcycle cover has always been a source of protection for your bike from the elements. Now it can be your theft deterrent system as well by sounding an alarm whenever anyone tries to remove the cover. These covers include a self-contained alarm system that emits an ear-piercing 130-dB warning sound when someone attempts to remove the cover without deactivating the alarm. Use of this alarm system does not require any modifications to your bike, no special wiring or attachments are required, and installation is quick and easy. Comes with a limited lifetime warranty. A one year limited warranty applies to the Guardian® Secure™ cover alarm. Patent pending.

- Colour combination: Black & Light Grey

EZ-Zip

EZ-Zip™ Cover (old name was Guardian EZ)

Installing or removing your motorcycle cover is now as easy as 1...2...3. The Guardian® EZ-Zip™ motorcycle cover includes a zipper located at the rear of the cover that makes installation fast, easy and convenient. An under-bike web strap with a d-ring attachment which helps to keep the cover secure.

- Colour combination: Black & Light Grey

ONGUARD LOCKS - U-LOCKS

- X4 and X2 locking mechanisms secure both sides of the shackle
- Hardened steel shackles are impervious to prying, jacking or cutting
- Round profile and smooth edges eliminate leverage points
- Fully coated shackles and crossbar protects delicate finishes and paint jobs

Brute 5000
645-5000

- 111mm x 260mm (4.4" x 10.2")

Brute 5001
645-5001

- 111mm x 202mm (4.4" x 8")

Pitbull 5002
645-5002

- 115mm x 292mm (4.5" x 11.5")

ONGUARD - CHAIN LOCKS

- Nylon embroidered chain covers with velcro closures protects paint jobs and delicate finishes while embroidered logo won't crack, peel, or fall off
- Hexagonal and square chain links have more surface area than round links to resist attack from bolt cutters
- Titanium surface hardening further increases cut resistance
- Wide variety of lock styles, chain lengths, and weights to suit every need

Beast 5017LPT

645-5017LPT

- Black 140cm x 11mm x (55" x 3/7")

Double Bolt Locking Mechanism

LPT stands for "Loop and T". This is OnGuard's most versatile powersports lock - motorcycles, scooters, ATV, Jet Ski... Use the loop to wrap around a solidly anchored object, then run the 25cm (10") long x 16mm (2/3") thick hardened-steel bar through a hole on your vehicle and lock the T-head on the other side.

Beast 5016/5016L

645-5016

- 110cm x 14mm (44" x 5/9")

645-5016L

- 160cm x 14mm (63" x 5/9")

Beast 5018

645-5018

- 160cm x 12mm (63" x 4/9")

645-5018L

- Chain Only (no lock)
- 210cm x 12mm (7' x 4/9")

Beast 5018HD

645-5018HD

- 160cm x 11mm (63" x 3/7")

Quatro Bolt Locking Mechanism provides unequaled strength and security by locking the cross bar to the shackle on four sides.

Beast 5018L

- Chain Only (no lock)

- 210cm x 12mm (7' x 4/9")

Mastiff 5019LPS

645-5019LPS

- Black 70cm x 10mm (28" x 2/5")

Mastiff 5019LP

645-5019LP

- 130cm x 10mm (51" x 2/5")

Cinch loop design requires less chain for effective lock-up.

Mastiff 5019L

645-5019L

- 160cm x 10mm (63" x 2/5")

Mastiff 5021

645-5021

- 160cm x 10mm (63" x 2/5")

ONGUARD - ARMoured LOCKS

- Tough vinyl cable cover protects bikes and equipment against scratches
- Legendary M-Cylinder™ mechanism is the major deterrent to theft
- Locks are tough, but gentle on your power sport finish - plastic, rubber, or vinyl wherever the power sport can rub

Rottweiler 5023

645-5023
• 80cm x 30mm (31" x 1.2")

Rottweiler 5023L

645-5023L
• 220cm x 30mm (7' x 1.2")

Rottweiler 5025

645-5025
• 165 x 25mm (65" x 1")

ONGUARD - COIL / CABLE LOCKS

- Light weight, convenient and available with either keyed or combination lock mechanisms, coil locks offer good security for medium to low risk situations
- Heavy duty self-coiling cables are vinyl coated to protect finishes
- Most coil lock models include versatile mounting bracket

Doberman 5027

645-5027
• 185cm x 15mm (6' x .47")

Doberman 5028

645-5028
• 185cm x 12mm (6' x 3/5")

Doberman 5029

645-5029
• 185cm x 8mm (6' x .47")
• Steel Ball Click-Combo-Gear System has user settable combination

Akita 5040L

645-5040L
• 300 cm x 12mm (10' x 4/9")

Akita 5040

645-5040
• 185 cm x 12mm (6' 4/9)

Akita 5036

645-5036
• 185cm x 20mm (6' x 3/4)

Akita 5043

645-5043
• Black 7 x 2/5"
• Cable only - cinch loop requires less cable for effective lockups

ONGUARD - COMBINATION CABLE LOCK

Doberman Combo 5031L

645-5031L

- 240cm x 12mm (8' x 4/9")
- Steel Ball Click-Combo-Gear System has user settable combination

Akita Combo 5041

645-5041

- 185cm x 12mm (6' x 4/9")

Terrier Combo 4 5062

645-5062

- 210cm (7') x 6mm

Terrier Combo 4 5061

645-5061

- 120cm (4') x 6mm

Terrier Roller Combo 5063

645-5063

- 90cm (3') x 2mm

Double Team with Combo

645-5110

- Includes disc lock and cable
 - DISC LOCK: Boxer 10mm (2/5")
 - TERRIER CABLE LOCK: 210cm (7') x 6mm
- Set your own digit combination in a few easysteps
Raised combination dials are easy to use withgloves
Hook and Loop strap compacts cable

ONGUARD DISC LOCK / PADLOCK

645-5046

645-5047

Disc Locks

- Our legendary M-Cylinder mechanism is the major deterrent to theft. Anti-drill and pick-proof guts make this a super secure challenge
- Dual lock down deadbolt locking mechanism offers second to none holding power
- All our disc locks include **carrying pouch with belt clip and disc lock reminder cable**
- Armoured hardened steel case, touch lock system and special titanium plating

645-5056

All disk locks include carrying pouch with belt clip and disc lock reminder cable

QUICK RELEASES

QUICK RELEASE

Plus Two

455-FH99

FAST HOOK is the newest quick disconnect on the market. Made entirely of lightweight plastics, it operates with a touch of the finger, and can be used with or without D rings on straps 1" or less. Great for mounting accessories to a snowmobile. Great for saddlebags & helmets

RAMPS / LIFTS / STANDS

Insta-Ramp

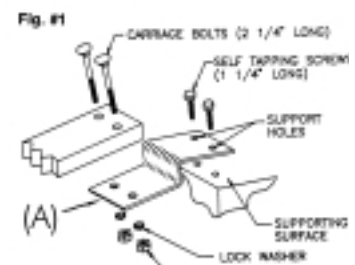

- Take a couple of 2"x8" boards that you supply and add Ramp Tops, Ramp Track, and Ramp Feet to give you a durable set of ramps at an affordable price.
- (A) The Ramp Top are polished to for light weight and rust resistance.
- (B) Galvanized steel traction plate provides sure footing.
- (C) The Ramp Feet have been specifically engineered to give the maximum amount of holding power on any surface.

DESCRIPTION

- B - Ramp Track (6 sections)
C - Ramp Feet (contains 2 pcs)

TCI

- 612-RT100
612-RF1

RAMPS

7' FOLDING RAMP

665-9009

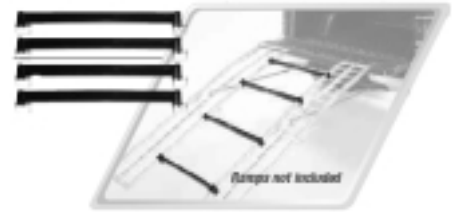

- Aluminum construction
- Never rusts
- Foldable for easy storage
- 1500lb weight capacity
- Non-slip tread design
- Minimize store shelf space by 50%

RAMP KIT

665-9009KIT

- Used to secure two ramps together for use with ATV's, UTV's or snowmobiles
- Quality steel construction, powder coated black for long lasting finish
- Works in conjunction with 9009 ramp only

Single Bike Carrier

Box Size 76" X 25" x 5" size 665-9005

- Fully welded solid steel construction
- Powder coated gloss black
- 400 lbs capacity
- Eliminates the need for a trailer
- Fits 2" receiver

Excel MX Triangle Stand

665-3830

- "W" shaped leg design makes it stable on uneven ground
- Hi-quality carbon steel construction and zinc plated for rust and corrosion protection
- Attractive packaging stands on shelf or hangs on pegboard

Excel MX Lift Stand

665-3840

- Knockdown design is easy to store
- Easy to assemble
- Oil/Gas resistant rubber pad provides non-skid surface
- Lifts even the heaviest of 4-strokes
- Safety lock hole for your screw-driver
- Weighs 14lbs and has a lift height of 17"
- Steel tube construction with silver powder coat finish

SADDLE SKINS

ATV Seat Covers

\$62.95-H

Different colors and sizes are available for all popular ATV, ATC, dual sport and off road motorcycles. Make your two, three or four wheeler look like new again! Why pay a local upholsterer to recover your seat with bar stool material when for less money you can have the original cover with heavy duty material installed.

Street Seats

\$79.95-H

Motorcycle seats wear out. Seats live in a harsh world - bright sun, rain, sharp objects, dogs and spills all can take their toll on your unprotected saddle. Nothing looks worse than a worn and torn seat. A great looking motorcycle becomes old, a beater, when the seat goes away. Duct tape, bare foam, black electrician's tape - all sorts of home remedies are used, but none are as effective as a new cover.

PIPE GUARD*

High quality light gauge aluminum shaped to fit your bike's header pipe. Protect your pipe like no universal fit can

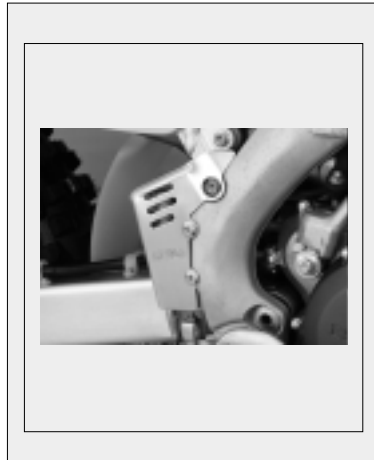

RADIATOR GUARD*

Completely encases radiator with full metal jacket. Can withstand severe side or frontal blow.

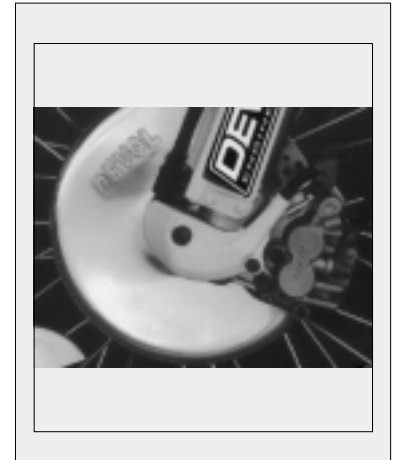

ALUMINUM FRAME GUARDS*

Eliminates boot hook and thoroughly protects frame and brake components

FRONT/REAR MASTER CYLINDER GUARD*

T6 aluminum protects all sides of master cylinder

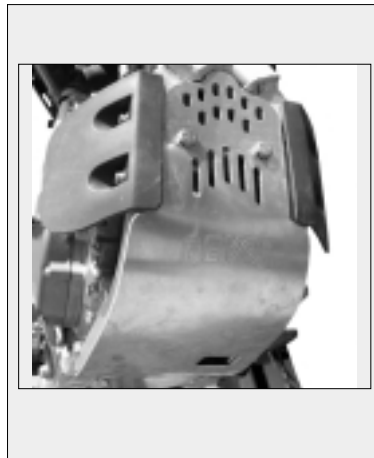

FRONT DISC GUARDS*

Manufactured to strengthen leading edge to allow heavy hits with little chance of damage.

REAR DISK GUARDS*

Manufactured to strengthen leading edge to allow heavy hits with little chance of damage

GLIDE PLATES*

Cover the entire lower rails

Enduro Skid Plates*

Covers the entire lower rails, water and ignition covers

*See Devol Application Chart Page for fitment
