681-1959	5 ft	Black spring mount fibreglass pole
681-1962	6 ft	Orange fibreglass pole
681-1989	8 ft	Black spring mount fibreglass pole

ATV Whips

This New Vehicle Identification Whip and Flag has been developed for specific enhanced visibility for a wide range of Off Road Vehicles and Mobility Scooters.

The design incorporates a 1/4" Fiberglass Rod within a Polycarbonate Tube to help stiffen the whip while protecting the user from fiberglass fragments and the breakage of the fiberglass.

The Base of the Whip is inserted within the 2 inch Stainless Steel Base Spring to provide extra strength when operating in thick brush where the potential to break the ordinary fiberglass whip may break becoming a lethal weapon. The Mounting is provided with a 3/8" Stainless Steel fine threaded locknut and washer.

The "High-Vis" Orange Flag incorporates a White Reflective Strip with Phosphorous "Glow in the Dark" material that will give off light for up to 6 hours after dark

DESCRIPTION

- 4' Whip with Reflective Glow Stripe Flag
- 5' Whip with Reflective Glow Stripe Flag
- 6' Whip with Reflective Glow Stripe Flag

PART

- 681-1804
- 681-1805
- 681-1806

RAMPS

7' FOLDING RAMP

665-9009

- Aluminum construction
- Never rusts
- Foldable for easy storage
- 1500lb weight capacity
- Non-slip tread design
- Minimize store shelf space by 50%

RAMP KIT

665-9009KIT

- Used to secure two ramps together for use with ATV's, UTV's or snowmobiles
- Quality steel construction, powder coated black for long lasting finish
- Works in conjunction with 9009 ramp only
